Dog Assessment \$50.00/hour needs to be done before a dog comes to us for training

Bird Costs:

Quail- \$5.00

Chukar- \$8.00

Ducks- \$17.00

We would need your dog's vet records sent to my email kyley.googins@gmail.com prior to drop off. She/he will need to be up to date on all vaccinations including, rabies, Bordetella (**within last 6 months**) and DHHP. She/he will need to be on flea/tick prevention along with heartworm prevention.

We have a medication log in the kennel and keep up with all of this information.

In case of an emergency we use our vet Sanford Animal Hospital for major issues. Most minor issues i.e. upset stomach or minor cuts to pads we can treat, but anything serious the dogs go to our vet.

At drop off we go over boarding/training contract and a pet check to go over feeding, food, if she/he is on any medications daily, and examine the dog for any scars, cuts, and any skin issues. No toys at drop off other than a bone for he/she to chew on.

We also ask for her/his food to be provided for the time she/he will be with us. Depending on the food you feed we can accommodate this as well. We feed Eukunba. If you choose this, we charge an extra 70.00 dollars a month for food.

I hope this answers all of your questions. Please reach out if I missed anything. Best method of contact is by email. Hope to hear from you soon.

Looking forward to working with you and your dog!

Thanks
